Parafield Gardens

PGUC Youth has officially joined the United Youth Network!

The easiest way to look at it is that we now have an extended youth family which is (currently) made up of Mallala Uniting, Two Wells Uniting and Gawler Uniting!

What this just means is that we will have a night each term (or most terms) where we all come together to hang out, worship, eat great food and learn about our awesome God! And we might do things together as a network like go to conferences or camps like SAYCO together!

It's always a great feeling to know that you're not alone and that there are other like-minded youth groups out there! It's also great to know that we are a part of something that's bigger than just PGUC Youth!

We're so excited about this and hope you are too! If you have any questions feel free to ask them!

- Pray for the leaders and camper that attend KCO this year that they will encounter God in worship, have fun, and meet new people who have a love for Jesus just like they do.
