KCO 2018

KCO is coming up on the 17th and 18th of March in Victor Harbor. We are looking for expression of interest for leaders to come along with our group. KCO is an amazing time for the children and adults alike. If you're interested or need more information please let Elissa know.

Outreach opportunity

This year Mike Chang and Karen would like to begin conversational English classes as a community outreach. They are looking for people who may be interested in working as tutors with small groups. Training will be provided, and although previous teaching experience will be a help, it is not necessary. They hope to start in March. If you have a heart for helping new migrants and like making new friends, this is your opportunity!

See Karen or Mike if you are interested.
